Hilfe fuer Afrika e.V.

Dear Sir / Madam,

On behalf of ATD (All Together for Dignity) Fourth World Madagascar, I would like to thank you for your generous donation of 2000 euros to our computer training project. This gift is sincerely appreciated, in particular by our young people and their families, who are partners with us in trying to fight long-term poverty. This money will help us to realise our goals despite the present situation here in Madagascar, as international funding bodies are now pulling out of the country.

We now have 63 young people who benefit from our training, and they are developing month by month, having at last the opportunity to reach their potential. Not only will the knowledge that they are gaining secure their future, but also the future of their children, breaking the cycle of poverty. We are proud of the efforts that they young people are making.

Thanks again for your generous support of their and our efforts.

Best wishes,

Lucas Rodwell
Computer Project Coordinator
